DOCUMENT 1-481/82

ORAL QUESTION (0-61/81/Rev.)

with debate pursuant to Rule 42 of the Rules of Procedure

by Mr BETTIZA, Mr RADOUX, Mr ALBERS, Mr IRMER, Mr SEELER, Mr GOUTHIER and Mrs GAIOTTE DE BIASE to the Commission of the European Communities

Subject: Relations between the EEC and Yugoslavia

Can the Commission inform Parliament of the conclusions reached by the Council on 26 October 1981 as regards ways of halting the considerable deterioration in the climate of trade relations between Yugoslavia and the EEC?

What steps does the Commission intend taking to speed up the ratification by the Member States of the EEC/Yugoslavia framework agreement on cooperation of 2 April 1980?

In view of the particularly difficult economic situation faced by Yugoslavia, does the Commission not consider that the Community should reaffirm its desire for cooperation by preserving the terms of the agreement of 2 April 1980? Following the enlargement of the Community, does the Commission not consider that it would be logical to raise the baby-beef quota, given the importance of this sensitive product for the general balance of the Yugoslav economy?
